Experience

Brick Design
Senior Designer
San Francisco, CA
2012–Present

Working in different mediums on a daily basis I have a hand in design, concept, and production for various branding, web, motion, and interactive projects.

MacFadden & Thorpe
Intern / Designer
San Francisco, CA
2011

Assisted in the development and production of identities, print, and collateral for multiple clients; most notably for *Reclaim Market Street*, an exhibition created by Studio for Urban Projects.

Education

California College of the Arts
BFA, Graphic Design
San Francisco, CA
2007–2011

CCA Summer Design Intensive
San Francisco, CA
2010

A three week, 120-hour intensive focused on design experimentation instructed by Gail Swanlund, Jeremy Mende, and Martin Venezky.

Volunteer

SFJAZZ
Usher
San Francisco, CA
2011–Present

Greeting and directing guests to their seats for numerous concerts and events at the SFJAZZ Center, The Herbst Theatre, and Davies Symphony Hall.

Personal Projects

It's Just Great
Founder
Oakland, CA
2014–Present

Stemming from my senior thesis research, I started *It's Just Great*, a record label based in Oakland, California. We produce a quarterly showcasing found records curated from a selection of LPs based on our choosing. Each issue is comprised of a handmade zine, a limited edition print by a local artist and a surprise vinyl record featured in the zine.

Sunbeam Rd.
Percussionist
San Francisco, CA
2009–Present

An ongoing musical collaboration between my brother, Trevor Hacker, and fellow CCA alumni, Harrison Pollock. Following a cassette EP and several digital single releases, we released our debut LP *Breathers* in 2012 and releasd another 12" entitled *Time Perception* in 2014.
